## **AspDotNetStorefront and DiscountASP.NET Announce Distribution Agreement**

August 29, 2006, Rocky River, OH and Sierra Madre, Ca. – AspDotNetStorefront, (<http://www.aspdotnetstorefront.com>) a leading provider of asp.net based ecommerce shopping cart software, and DiscountASP.NET (<http://www.discountasp.net>), a leader in advanced shared Microsoft Windows web hosting services, today announced a distribution agreement.

Under the terms of the agreement, DiscountASP.NET will offer AspDotNetStorefront's e-commerce software to its clients at a discounted rate.

"AspDotNetStorefront's shopping cart is top notch in terms of both features and ease of customization," said DiscountASP.NET's Vice President of Marketing Takeshi Eto. "We're thrilled to be able to offer this robust e-commerce storefront to our clients at a substantially discounted rate."

DiscountASP.NET plans to make the AspDotNetStorefront available to its clients through a special online coupon, available only to registered clients of its service. Clients who redeem these coupons during checkout at AspDotNetStorefront will receive a 15% discount on any of AspDotNetStorefront's standard, PRO or ML ecommerce platform solutions (accessories are not eligible for this discount).

"DiscountASP.NET's has built a solid reputation for reliability and support in the Windows hosting services segment," said AspDotNetStorefront CEO Robert Anderson. "It's exciting to have the opportunity to put our product in front of such a vibrant community of Asp.Net Webmasters."
